One of St George's most significant examples of Victorian design, 'Maroo' c1895 is a captivating family home crowning an expansive double block bathed in sunshine. Park-like gardens feature plants that bloom in different seasons, creating a spectacle of colour to admire from the various outlooks of the home. As chronicled in numerous publications, its rare degree of detail makes this home a visual feast, establishing timeless elegance throughout. The spaciousness and simplicity of the layout make it so appealing for contemporary family living.+ Grand double block of 1,252sqm with a 25 metre frontage, rear to north+ Lovingly maintained with sensitive updates to home, pool and garage+ Victorian style rendered brick with slate roof and filigree wrought iron detail+ Stained glass panels and lanterns, marble fireplaces, oregon panelwork+ Ceilings reach 3.6 metres to create voluminous living space and bedrooms+ Spacious updated kitchen with gorgeous period details, updated bathrooms+ Front and back verandahs provide flexible use of space to suit the seasons+ Gardens feature abundant lawn and care-free weather-responsive irrigation+ Solar panels, NBN, air con upgraded in 2022, remote control verandah blinds+ Easy access to schools, parks, beaches, transport, libraries, Westfield
