Perfectly positioned in a quiet enclave just around the corner from James Nash High School and the Gympie Sports Club is this idyllic abode. Young families and first-time buyers will adore this charming property as will downsizers seeking a lovely home surrounded by vibrant gardens and lush lawn.

A wrap-around covered verandah, with sun shades, provides a warm welcome and is complemented by the freshly painted exterior adding instant appeal. There's plenty of room to entertain guests and dine alfresco or you can simply relax in the shade and make the most of this peaceful and private setting.

The interior is just as impressive with three bedrooms and one bathroom including your master with air-conditioning and a ceiling fan. Both the guest bedrooms have built-in robes and there's an original bathroom with a separate water closet.

The light-filled and air-conditioned kitchen and dining space flows freely into the lounge with both areas connecting to the wrap-around balcony making entertaining a breeze.

This move-in-ready home is set on a 742sqm lot with plenty of off-street parking, a single garage and a large under-house area that could be used for storage, a workshop or even a granny flat (STCA).
