A picturesque resort-style family setting of inspired space, comfort and privacy. This magnificent architectural home offers a superb family nest amid the serenity of the secure Zenith Gardens estate. Ideal for a large or growing family, it merges high quality design and contemporary luxury to create an entertainers' paradise and children's playground dedicated to relaxed in/outdoor living. With a wise Feng Shui design, this breathtaking sanctuary is the result of 450sqm of living area together with full use of the estate's healthy lifestyle attractions. Accommodation - The spacious two-level layout allows for flowing formal and casual living spaces with high vaulted ceilings and peaceful leafy surrounds. Four double bedrooms include a master suite with deluxe Roman spa en-suite and walk-in wardrobe plus there is a separate study/fifth bedroom, three and a half bathrooms, five toilets and a sunlit laundry. The gourmet island kitchen is smart and modern and features an open plan breakfast area fitted with 40mm granite benchtops. Features Low maintenance front and rear gardens, your own vegetable patch, plenty of off-street parking for guests within the estate, security alarm system, central vacuum cleaning system and data cabling. Residents of this exclusive gated community enjoy access to the estate's clubhouse facilities including tennis and squash courts, fully equipped gym, sauna, swimming pool and function room with kitchen and barbeque area for up to 100 guests. Other highlights include a double lock-up garage, Tasmanian oak flooring, ducted air-conditioning, sarking throughout and a solid double brick construction with concrete slab between levels. Relax and unwind at sundown by enjoying stunning tropical park walks along the creeks edge right at your doorsteps.
