A true embodiment of style and sophistication has been achieved in the creation of this residence by employing a variety of ingenious design principles, and the utmost commitment to quality craftsmanship. A noteworthy foyer welcomes you to the home that has a generously proportioned floorplan spanning two substantial levels. An impressive open-plan space forms the home's core, with striking wide plank flooring and a long gas fireplace creating eye-catching focal points within. Found in this zone are a spacious living room, a sizeable dining area, and a sleek kitchen where flair and function combine effortlessly, courtesy of stone splashbacks, and benchtops with waterfall sides, quality stainless steel appliances, and an abundance of contrasting cabinetry catering for all your storage needs. This inviting, light-filled space adjoins an expansive entertainer's deck framed by grass and greenery to ensure that alfresco endeavours are well served. Four robed bedrooms and three luxuriously appointed bathrooms complete the accommodation. This includes a choice of master's with fully tiled ensuites, one on each level, catering for those seeking multigenerational living options. The remaining three bedrooms are situated upstairs in close proximity to a light-filled living space; they share the use of a central bathroom with a deep freestanding soaker tub. You'd expect a home of this calibre to deliver additional features, and you certainly won't be disappointed. There's reverse cycle heating and cooling, high ceilings with square set cornices, bespoke lighting, a video doorbell, a garden shed, a double lock-up garage with internal access, and a prized location amongst desirable amenities. These include local buses, shopping precincts like Macedon Square, Bulleen Plaza, and Westfield Doncaster, a range of quality educational options, open green spaces such as Sheahans Reserve, Finns Reserve and Bimbadeen Park, plus the convenience of the Eastern Freeway. This stunning home takes living to the next level. To experience this, plan your inspection now.
