\$650 PW Family Home with POOL!

Looking for a spacious home in a lovely family friendly street? This four bedroom, two bathroom home might just be perfect for you! This home features a beautiful open plan kitchen with a large island bench, ample storage space and electric stovetop which opens up to the high-ceilinged living/dining area to create a communal area for your family. Being fully air-conditioned throughout with a beautiful 8 meter magnesium pool that backs onto the back patio, you know you will be cool all year round. Each bedroom is carpeted with built in wardrobes. While the Master bedroom features an ensuite with a large shower. The owners have also converted the garage into a massive rumpus room with vinyl flooring to cater for any family event or teenagers retreat. In front of the rumpus room, you will find a shade sail over the driveway that can cover two cars. This Kirwan home has an easy to maintain yard and also an irrigation system in the front yard for maximum convenience. It also comes with a 2 phase power 14kw Solar System + added bonus one bay MAN CAVE or SHE Shed!
