Suit Buyers in the \$800,000's

Nestled in a peaceful cul-de-sac, this stunning 5-bedroom (plus study), 2-bathroom house is perfect for families of all sizes. Recently renovated with a fresh, modern appeal, this home boasts spacious living areas and stylish updates that make it move-in ready. From the moment you step inside, you'll fall in love with its bright, open spaces and thoughtful design touches. Step through the double door entrance to be greeted by the sunken lounge with soaring raked ceilings—a striking feature that sets the tone for the rest of the home. The lounge also has a charming built-in bar, perfect for entertaining guests. Just a step up from here, you'll find a formal dining area with easy access to the kitchen. The kitchen itself is a home chef's paradise, featuring stone benches, a 5-burner hot plate, double oven, dishwasher, and a generous breakfast bar. Light-filled living and casual meals areas overlook this stylish space, making it the heart of the home. And for cosy nights in, there's even a dedicated theatre room with raked ceilings and French doors. The lavish master bedroom is a retreat of its own, offering both a walk-in and built-in robe and a freshly renovated ensuite. A separate study or nursery is conveniently located adjacent to the master bedroom, providing versatility for your growing family. Bedrooms 2, 4, and 5 all come with built-in robes, and ceiling fans are installed in all bedrooms, the formal dining room, and the family room for year-round comfort. And the master bedroom is the only space with a renovated bathroom, the secondary bedrooms are all serviced by a freshly refurbished wet area complete ideal for the kids with a separate bath, shower and sleek, black tapware.
