Contemporary creativity and flair have been combined to with exceptional success throughout this elegant townhouse where three bedrooms, plus a separate study, three bathrooms, four toilets complement light-filled living spaces framed by front and rear balconies. The flexibility of a ground level bedroom with its own ensuite and courtyard retreat complements two bedrooms, including a master suite with balcony outlook, on a top floor that's completed by the study and the superb central bathroom. The dual balconies of the first floor living/dining domain bring the outside in beautifully while an open-plan kitchen features a walk-in pantry, stone benches and integrated appliances.
