Price Guide \$3,000,000

Presiding over a phenomenal 3746sqm of lush landscaped gardens in the verdant foothills of the Illawarra Escarpment, this distinctive architect-designed family home feels peaceful, privileged, & magically otherworldly. Completely hidden from the street by a thriving native garden, slowly the sculptural qualities of this modern masterpiece are revealed. Step inside through a bespoke carved front door into a dramatic double height glazed entry, ascend to the expansive open plan living/dining area with soaring curved timber paneled ceiling, then take in the panoramic ocean views from the monumental balcony, complete with outdoor kitchen of course. Although the property speaks of secluded wilderness idyll, Corrimal Bowling Club is just 2 mins from home, 3 mins will deliver you to Corrimal Village shops & services, & in 6 mins you can join a train to Sydney or Wollongong for a taste of City action.- A strikingly elegant north facing home set amidst manicured lawns & lush gardens.- Cleverly designed to deliver complete privacy, & embrace a stellar sea view.- Enduring understated finishes & architectural curves create a sense of space & calm.- Floor to ceiling glass welcomes natural light & allows connection with the outdoors.- North facing family room enjoys all day sunshine & a glorious garden outlook.- Sophisticated contemporary kitchen features 900mm Bosch cooktop & double oven, stone benchtops, stainless steel splashback, walk-in pantry, & huge breakfast bar.- Versatile upper level study & carpeted guest bedroom allows accom for lucky visitors.- 4 generous carpeted bedrooms on lower level, all including built-in wardrobes.- Indulgent master bedroom features walk-in robe & stylish ensuite with double shower.- Sublime family bathroom with signature structural curves includes luxurious freestanding tub & separate rain shower with chic matte black tapware.- Detached double garage with workshop/storage & additional off street parking.- Secure intercom entry. Ducted A/C. Solar power. Robot mowers. Deer deterrent.- Secret garden paths connect outdoor spaces including magical secluded fire pit.
