When considering a property purchase, they say it's all about "location, location, location." However, the home itself is equally important. Presenting a real estate gem that not only boasts a prime location but also offers a nearly new, well-constructed, and meticulously designed home. This seven-year-old home features five bedrooms, with one located downstairs for added convenience. The spacious living areas cater to various life occasions and are flooded with natural light due to the north-facing orientation. Two of the bedrooms boast expansive windowed walk-in robes, providing versatility to be utilized as private living rooms or studies as per your requirements. The skylights on the upper floor illuminate the entire space, offering both privacy and ample natural light simultaneously. The bathroom is equipped with a smart bidet toilet seat and features natural stone vanities, adding a touch of luxury and sophistication. This home was crafted with care and meticulous attention to detail by the owner, intending for it to be their long-term residence. Just 500 meters away from Chatswood Westfield Shopping Centre, 400 meters to Chatswood Park, a leisurely 10-minute walk to Chatswood Station, and a convenient 20-minute drive to Sydney CBD. Surrounded by esteemed educational institutions such as Willoughby Girls High School and Chatswood High School. Additionally, sought-after schools like The Knox School and PLC are all conveniently located within a 20-minute drive.
