Fully renovated from tip to toe, there's not a cent to spend as all the hard work has been done. Voluminous open-plan living areas spill over the covered outdoors, overlooking the lush & private gardens. Its location is close to local schooling, numerous parks, shops, cafes, and a short drive to Bathurst CBD. At a great price point, this home is an exciting prospect for the first home buyer or investor alike. With a great layout and generous 783sqm block, this home will not last long on the market! What we love about the property:

- Second living or dining area
- Practical 3-way bathroom
- Three generous bedrooms, all with built-in robes
- Garden shed plus additional undercover storage off the garage
