This lovely 2 bedroom, almost beachfront, home is situated in the coastal village of Beechford, one of Tasmania's hidden gems. During the months of October and November you can quite literally watch Humpback Whales play in the Strait from the comfort of your living room. Walk out the front door and you are only a one minute walk to the beautiful white sandy beach. In the spacious garden there is a wide variety of fruit and vegetable garden beds so you can truly live off the land if you so desire. Only a short 15 minute commute from the township of George Town, you are never too far away from your creature comforts. This coastal property really does offer a fantastic lifestyle for its next owner.*Peter Lees Real Estate has used a variety of sources to obtain information relating to this property.
