Why you'll love it: Placed for prime convenience in a vibrant green setting, this private transformed haven creates a calming city hideaway as it nestles peacefully amongst the trees. It's within footsteps of glorious parks and bustling cafés, while close to the riverfront, highly regarded schools, transport options and UQ. The home's impeccable contemporary interiors are awash with soft natural light, savouring lush leafy outlooks from almost every room and the serene elevated deck. This is the epitome of modern lifestyle living in one of the southside's most desirable suburbs. Key features:- Interiors reveal crisp white walls and hardwood floors- Open living/dining zone flows to sizeable treetop deck- Tranquil fenced backyard features easycare landscaping- Sparkling stone kitchen has gas cooking and island bench- Three good sized bedrooms, built-in robes to two- Family bathroom has double vanity, convenient second w/c- Air conditioning, ceiling fans throughout, gas hot water- Solar panels, 5,000L rainwater tank and irrigation system- Double lock-up garage with storage plus driveway parking- Potential to build in underneath, plumbing exists (STCA) Best suited for: Buyers who seek a move-in ready home with the potential to expand in a location that provides easy access to all amenities.
