Great opportunity to purchase a flat allotment within close walking distance to the beach yet very affordable. This block is set amongst quality homes and offers fencing on one side and at the rear of the block. All services are available for connection when building to the developments sewerage effluent system. The block has water connected with a water meter. Measuring a manageable 654m² and 45m in depth a 2 storey home should command some good sea views. No time frame to build. Council rates \$1026.50 p.a. Be quick on this one!!
