OPEN HOUSE CANCELLED A sanctuary of tranquillity awaits. With a lofty plateau position and district views, this 4-bedroom home will surprise you. Tucked into a quiet cul-de-sac, it unfolds to reveal a light filled residence with unique character. With a Mediterranean-inspired entertaining area, a tropical rainforest garden and features such as vaulted ceilings and archways, it is a unique and relaxing retreat. Step outdoors and feel transported to the south of Spain. Combining rich earthy tones, travertine paving and sculptural plantings, the entertaining space has a boutique villa ambience. Settle in on a warm evening to enjoy alfresco dining, with gentle coastal breezes flowing. Custom seating with a shaded pergola extends the area - the spot to be for coffee and cocktails! Air and light fill the living, dining and kitchen space, all connect seamlessly with a relaxed openness. Contemporary and spacious, the kitchen offers a servery bar complementing the main dining space with its Mediterranean outlook. Louvered blinds offer valley and plateau views, while floorboards and a wood-burning fireplace add warmth. The bathroom is decadently oversized with a statement freestanding tub, floor to ceiling stone tiling and a walk-in shower, accented with a half-vaulted ceiling. With ensuite and walk-in robe, the roomy master bedroom opens to its own covered veranda, with an archway view of the entertaining area, adding to the villa vibe. All other bedrooms are light-filled, with the 4th ideally positioned as a home office, if desired.
