This stunning high-spec 4-bed home on a huge block is just what your family has been waiting for. The home (built by Sekisui) with its manicured lawns is beautifully finished and you don't need to lift a finger before you move in—but the potential for the future is there if you want it. As you enter, the entrance hall leads you through to the massive kitchen/dining/family room with its huge sliding doors onto the alfresco entertainment and barbeque patio (with its own fan) and out to the level lawns beyond. Beside the family area is a home theatre, which could easily be a playroom, a separate lounge or a magnificent work-from home option. Ducted air conditioning/heating throughout the home creates the perfect ambience for summer and winter alike. You will love the ducted vacuum cleaning system, too! The kitchen, with its gorgeous stone fascia island breakfast bar, and high quality finish and appliances is the entertainer's dream. The easy-care stone benchtops, deep on-trend dual sink, 900mm gas cooktop, electric oven, separate pantry, huge storage and preparation space all make this the practical and elegant kitchen you've been dreaming about. The parent's retreat is idyllic, with plenty of space, dual walk-in wardrobes, and a massive ensuite with a double vanity, floor to ceiling tiles, and a huge double shower! The other three double bedrooms all have built-in wardrobes and are well served by a family bathroom with floor to ceiling tiles, separate shower and bath, and a separate WC—ideal for busy family mornings. Additionally, there is plenty of storage within the house for every need. The large (10x7m approx) triple car garage is multi-functional, perfect for the extra off-street parking or workshop that offers drive-through access or further potential! —think studio or mancave or future in-law accommodation, teenage retreat or butler's pantry—and both the garage and workshop have internal access, which makes it so versatile. The internal laundry, with access to the outside, enjoys built-in shelves and vanity, and tiles that match the bathrooms. The block is a very generous 971sqm, with ample room for a future pool or a self-sufficient garden for those with a green thumb. It boasts remote control pop-up sprinklers, and remote-controlled lights on the eaves, but the inclusions don't stop there! The high garage remote-control doors and drive-through access to the back yard allows you to store and enjoy numerous high-end toys. There are 2 large sheds at the end of the garden, along with more parking for a caravan or boat. One shed is 7 x 7 metres, and has a carport annexe attached with concrete floor, while the other 3 x 5 garden shed is perfect for bikes or as a studio. You'll also see the value in the off-street parking in front of the garage/workshop for up to 6 vehicles. Close to Muswellbrook fair shopping centre, with its shopping, entertainment and eateries, this home is also near child care centres and schools. This is your family's ideal forever home, with potential to grow and change with your family. But if you can see the benefits here, so can others. Don't let this slip through your fingers!
