This impressive home has just been freshly painted and had new carpets installed throughout. The welcoming entry leads through to the stylish kitchen, boasting ample storage options, and overlooking the light, bright living & dining area, with split system, that seamlessly opens onto the large paved entertaining area in the rear. A concealed laundry, full powder room and 4th bedroom or home office keeps the zoned areas downstairs apart from the quieter, upstairs. The 2nd level has the main bedroom, with modern ensuite, and the other two bedrooms, both with split systems, and the large, central, family bathroom with full bath and shower recess, as well as a separate toilet, an ideal floorplan for families. The double garage, ducted heating and private rear courtyard, well-planned spaces that are light filled, a fabulous location tucked away from the hustle and bustle, yet close to shopping, public transport schools and parks, are all awaiting you
