It's no surprise that the first buyer to look through this property couldn't resist the opportunity to secure this neat and sweat home. The location was perfect with a glimpse of the Avon River at the doorstep as well as being close walking distance to town. There are 3 generous sized bedrooms, 1 bathroom with toilet, cosy lounge room, light and bright kitchen/dining, enclosed back area perfect for relaxation with a handy seperate toilet, an alfresco area, 1 car garage with additional shed space all on a 1014sqm block. Another property sold for a great price in a short amount of time.
