Step into this meticulously crafted home and be greeted by a haven of comfort and elegance. With its dual level design, it offers spacious and inviting living spaces. The home boasts three bedrooms, a study, two bathrooms and three living areas, providing exceptional space for relaxation and entertainment. The opulent master is generously sized including a light filled ensuite with his and hers vanity, shower & toilet whilst additional bedrooms have fitted robes and are serviced by a sleek main bathroom. Opening into the heart of the home, the spectacular kitchen awaits, boasting premium stone bench tops, quality 900mm appliances and ample cupboard space all overlooking the more familial meals and family area. Stepping outside, you are welcomed with a huge undercover entertaining area perfect for Indoor/outdoor living all year round, overlooking gorgeous manicured gardens offering plenty of space for the growing family. Other features include a separate laundry room, separate powder room, 5KW solar system with battery, reverse cycle split systems throughout, heating/cooling throughout, driveway car accommodation, multiple outdoor access points, secure entry and so much more. All this beauty sits proudly on 651m² (approx) of prime residential land. Within walking distance to local schools and child care, all township amenities including Metro/V-line, central shopping, cafes/restaurants and much much more.
