Centrally located moments from historical Stamford Homestead, Stud Park Shopping Precinct and the newly created serene wetlands & recreation parkland, you will love living in the supreme Waterlea Estate. This well-built townhouse is quietly nestled away in this unique development where you will enjoy lovely walking tracks, beautiful birdlife and nature at its best. Featuring an excellent floor plan with master downstairs with ensuite and floor to ceiling robes plus the added bonus of a living room, outdoor sitting area, powder room and internal access from the oversized garage with access to electric car power plug in. Moving upstairs, the two remaining robed bedrooms are serviced by a central bathroom with open plan family living incorporating a modern kitchen with up to the minute appliances, stone benchtops, dishwasher and vast cabinetry. Flowing freely through to the family room and large outdoor alfresco you can entertain family & friends alike in grand style. Further features include water tank, split system heating and cooling throughout, double glazed windows, high ceilings, LED lights and solar electricity. All located within moments to Eastlink, Rowville Primary, St Simon's Primary and Rowville Secondary, this property will tick all the boxes, be quick as an inspection is a must!
