Have you been dreaming of escaping the hustle and bustle of city life? Do you wish you had more room for your growing family and pets and love the idea of having a big backyard and being a part of a well-established community bursting with history? Then this brand-new home could be what you have been looking for! With local community markets, agricultural shows, country music festivals, amateur music nights at the local Railway Hotel, wildlife sanctuary, State Park, walking trails, their own Aussie Rules Football team including juniors and senior's sections and an affiliate Netball Club which draws players from the local area and with Bunyip Railway Station just a 4-minute drive away, commuting to the city and regional towns is a breeze. Bunyip has two kindergartens and a play group as well as the "Hillview Bunyip Aged Care Centre". The towns health needs are catered for by a modern clinic situated opposite the aged care centre, as well as two primary schools and nearby high schools, this beautiful town is a wonderful community to be a part of. Imagine all of this and now add a brand new home on a 700m² (approx.) block of land, with four bedrooms, master with fully equipped ensuite and walk in robe, the remaining bedrooms all with built in robes, formal lounge room, open plan living and dining zone with huge kitchen featuring stone benchtops and walk in pantry and an abundance of cupboard and storage space. A large 3 car garage completes the picture with rear roller door access opening onto the massive backyard and alfresco area, the perfect spot for entertaining family and friends or sitting back and relaxing after a hard day's work and watch the kids play. Its tranquil setting provides the perfect escape from city life, while its convenient location ensures easy access, only minutes to the main freeway and the centre of the Bunyip township which has everything you could ever need.
