Constructed in 2016, this home combines modern elegance with practical living, designed to meet the needs of contemporary families. The property features four spacious bedrooms, each with built-in wardrobes and soft carpeting, providing ample storage and a cozy ambiance. The master suite stands out with its private ensuite bathroom, walk-in robe, and additional toilet, offering a secluded space for relaxation and convenience. Central to the home is the open plan living, dining, and kitchen area, a versatile space designed for seamless interaction and entertainment. The kitchen is equipped with modern appliances and finishes, ready to handle any culinary challenge. For movie enthusiasts, the dedicated theatre room offers a special space to enjoy films in comfort. Climate control is handled by split system air conditioners throughout the house, ensuring a comfortable environment year-round. The residence includes two bathrooms, with the master ensuite adding a layer of privacy and convenience. Both bathrooms are designed with modern aesthetics and easy maintenance in mind. Outdoor living is catered for with a patio area at the back, perfect for outdoor dining, barbecues, or simply relaxing in the open air. The property also features a double lock-up garage, providing secure parking and additional storage space. Finished with carpet in the bedrooms and theatre room and tiles in the bathrooms and internal laundry, the home's flooring choices blend durability with style. Situated in a welcoming neighbourhood, this home offers a blend of luxury, comfort, and practicality, making it an ideal choice for those seeking a modern living space.
