\$950,000

A rare opportunity to secure one of the last 2 acre allotments so close to the scenery of spectacular Berry's Beach, arguably one of the best beaches on the island. Enjoy the natural surrounds of this secluded and sought after pocket of Phillip Island with its abundance of wildlife including Wallabies, native birds and the Whales and marine life that pass the shores of Berry's Beach on their annual migration. An absolute delight for any nature lover. Features include:- Ocean views over one of the best beaches on the Island- 9051 m2 (approx.), 2 and a quarter acre allotment to build your holiday retreat (STCA)- Underground electricity to the subdivision (no power lines!)- On the doorstep of Pyramid Rock coastal walk- Fully re-fenced- Driveway crossing and gravel drive- Picturesque dam- Complete with storage container - Established native trees attracting wildlife and birdlife
