This extremely comfortable two-bedroom cladded home is a real surprise package. Situated close to Glennie Heights primary school and tastefully renovated inside, you will find a two-bedroom, beautiful bathroom, lounge room with reverse cycle air conditioner plus a dining area. The main bedroom even has a walk-in wardrobe. Ceiling fans throughout, and tinted glass with security screens. A functional kitchen, with dishwasher and room for that larger fridge. 6 Glennie Street is positioned on a good size fully fenced 1012sqm block, established trees in backyard, with a double colourbond shed for car accommodation and laundry space. This is a must to inspect to truly appreciate all this property has to offer and is also a great investment with a long-term tenant already in place until the 9th of December 2023. Contact me now.
