This spacious home is designed for harmonious family living in a relaxed coastal atmosphere. Positioned in a peaceful court on an expansive 829m² (approx.) allotment it is conveniently situated within walking distance of Ocean Grove Marketplace, local primary and secondary schools, Kingston Park, reserves, sporting facilities, Aquatic and basketball centre. The beautiful Ocean Grove beaches are a few min drive as is Kingston Village. This idyllic home provides a relaxed lifestyle in a family-friendly surrounding that is worth inspecting! The classic double-storey veneer is set behind well-maintained gardens showcasing a mix of established citrus and stone fruit trees. The expansive lawn is perfect for year-round play. Green thumbs can potter and plan in the garden and there is room for a pool (SPCA). Inside, the ground floor offers light-filled open plan living with a north-facing aspect and a gas log fire creating a warm and inviting ambience within. The well-appointed kitchen is the heart of the home and includes modern appliances including 600mm oven, gas cooktop, dishwasher, excellent storage provisions, and is centrally positioned to overlook the dining, living and out to the alfresco, perfect for those who love to entertain. This home is comprised of five queen-size plus bedrooms. The ground floor master includes walk-in robes and ensuite. Upstairs the other four bedrooms all have built-in robes, two with built-in desks, and are serviced by a spacious family bathroom with double vanity, claw foot bath, shower, and separate toilet. With plenty of light and some distant glimpses of the ocean, the second living. serves this level as the perfect kids' retreat, away from the main traffic of the home. A generous study off the entry offers a quiet space to work from home, and a spacious laundry with storage incorporates a third bathroom with shower and toilet. All combined this floorplan allows for optimum functionality for a busy family. Additional features include split system heating and cooling and understairs storage. Outdoors, an undercover alfresco connects with the living area to offer a fantastic entertaining space. The double garage includes roller door access to the rear yard, and excellent side access allows for potential storage of a boat, van, or trailer. Two garden sheds complete the outdoor package. Located for lifestyle, and designed to be enjoyed, this is a home that your family will love for years to come!
