Immaculately maintained, this home showcases pristine presentation from every angle. From the meticulously manicured lawn to the flawlessly painted walls, this property will not disappoint. Every detail has been carefully attended to, creating an atmosphere where you just look around and feel chuffed that there is absolutely nothing to do! The patio is the same size of the house. Let me paint you a picture of this amazing outdoor space-it's truly something special and easily one of the best you'll find on the market. Imagine this: you're relaxing with your loved ones, enjoying a few beers at the fully built-in bar, with a lovely view of the pool right in front of you. It's just perfect for those lazy afternoons or fun gatherings. And guess what? Just a few steps away, there's a handy powered shed ready for all your storage needs or DIY projects. But here's the cherry on top: we're throwing in a portable pizza maker so you can whip up your very pepperoni pizza. This outdoor oasis is waiting for you to make it your own-don't let it slip away! This property comes fully equipped with all the features to enhance your lifestyle. Enjoy the convenience of 6.6kw x 24 panels, providing ample energy for your needs, along with added security from installed cameras, screens, and doors. Inside, stay comfortable year-round with full air conditioning and revel in the modernized refurbished kitchen. With vehicle side entry, access is a breeze. Plus, its prime location offers unparalleled convenience-just a short walk to Cairns South Sports Club, Bottle-o, gym, fuel station, cafes, bakery, hardware store, schools (both primary and high), skate park, daycare centres, and the Southside Gymnasium. What's more, the city is less than 10 minutes away, ensuring you're never far from the action.
