Opening off the casual living area is the first covered entertainment area where adjustable shutters allow you to maximize the breezes. The second entertainment area is a great place for the pool toys and both will allow you to keep an eye on the children as they splash about enjoying the in-ground salt-water swimming pool. Walking through the entry foyer you can't help but notice the high ceilings and feeling of spaciousness. On this level, discover a large casual living area, air-conditioned formal lounge, and formal dining room which could make a good media room. There is also a powder room and spacious home office which could double as a fifth bedroom. Upstairs the bedrooms all open onto a communal rumpus room, providing a great place for the children to entertain their friends. The air-conditioned master suite is quite large, with the generous en-suite featuring a spa-bath, good size shower with dual shower roses, and a separate toilet. The children's bedrooms feature ceiling fans and either built-in or walk-in wardrobes. The double lock up garage offers internal access, and there are two additional carports, one with a high roof which will cater for taller vehicles. \*\*\*\*\*Rent also includes Monthly Pool Maintenance\*\*\*\*\* Call Simone Today For Private Inspection - 07 3139 0464 \*\*\*Please note that all inspections must be confirmed on the day of inspection by SMS or Call to 0427 083 329.
