Exceptional family home nestled in a quiet Cul-De-Sac, offering a perfect blend of comfort, convenience, and potential. Located within the highly sought-after school catchment areas for Primary & Secondary Schools and quick access to the all-new Westfield Knox shopping Centre. Set on over 680m² (approx.) of magnificently manicured gardens, the moment you step inside this lovely family brick veneer home you will feel at home. Boasting four large bedrooms, there's plenty of room for the kids with a comfortably spacious lounge that opens to the adjoining dining room. An abundance of natural light flows through the updated kitchen, following into the meals and family rooms that are complete with heating and cooling systems. What makes this family home special is the size and the list of luxury inclusions from the large spa bath to the separate W/C, this family home has everything that your family would want. For the entertainers, let the kids enjoy some back yard cricket, whilst you enjoy having all your friends and families for a drink on the large undercover timber deck. In such a serene locale you will benefit from the local Primary & Secondary Schools, the myriad of shops and of course the all-new Westfield Knox shopping centre. A large DLUG for both family Teslas and with Eastlink and Buses conveniently close, transport is not an issue.
