Nestled within the sought-after Eastbrook Links Estate, this beautifully presented four bedroom home exhibits a number of premium features that will delight families or investors. Generously appointed throughout, the home enjoys a private master bedroom positioned away from the front of the home (great for shift workers) complete with spacious walk-in robe and ensuite. The home's second bedroom has great versatility with double doors allowing it to transform into a third living space or utilise as a bedroom when required for visiting guests or family expansion. The home's media/theatre room is positioned at the front of the home offering a private haven away from the gourmet kitchen and open plan living and dining space at the heart of the home. Further highlights include ducted air conditioning, stainless steel appliances, a huge nearly 9m wide outdoor alfresco area for entertaining throughout summer, and 9kw solar panels. Whether you're an investor or first home buyer, this highly appealing property is definitely worth an inspection.
