Welcome to 6 Houston Street, Spring Mountain; built by one of Australia's leading home builders, Clarendon Homes. This five-bedroom (or four bedroom with study) home will excite your family, giving them space to relax or focus on their studies with a large study downstairs and dedicated study areas in each of the spacious bedrooms upstairs. When it's time to relax, the large open plan living, dining and kitchen opens onto a beautiful alfresco area downstairs; perfect for enjoying time with friends and family. Off the kitchen is a huge walk-in pantry which will help you to keep the kitchen tidy when you're entertaining guests, with direct access from the garage for those big grocery trips. The media room is perfect for movies or games nights, and for those who want their own space, there is a relaxing family room located upstairs where you can hide away and enjoy a good book or watch your favourite TV series. This home is well located with easy access to Springfield train station, and local amenities such as the Orion Shopping Centre and Orion Lagoon only a short drive away. When it comes time to send the kids to school, you are spoilt for choice with a number of local schools in the area including Spring Mountain State School, St Peters Lutheran College, St Augustine's College and Good Shepherd Catholic Primary School.
