\$1,090,000 - \$1,190,000

Defining 'home, sweet home,' this family haven which has been in the same family for almost 30 years delivers comfort in spades and scope to update when the time is right in a location that can only be described as first-class. Dual living areas give family the opportunity to spread out including a formal lounge/dining with floor skimming windows and there's a spacious open plan heart with a communal kitchen featuring a nearly new dishwasher, and a breakfast bench to perch with your morning brew. The heads of the household will relish the privacy afforded by the master bedroom complete with ensuite and walk in robe, with each of the children's bedrooms benefiting from built-ins to keep life clutter free. The family bathroom sparkles with a separate bath and shower complemented by a generous laundry at the rear. Encased by lush, leafy gardens that create a real sense of privacy and tranquillity, the outdoors is highlighted by a wisteria-clad all-season alfresco deck - a wonderful place to socialise with family and friends creating memories over weekend BBQs (the BBQ can be included), washed down with a few drinks and lashings of laughter. There's also oodles of lawn for child's play, a garden shed for storage, a sun-kissed veggie patch ready and waiting for you to embrace homegrown and a vintage hills hoist - the quintessential suburban dream! Beyond the walls of this inviting home, you'll be spoilt for choice with nearby Walker Park serving as your playground and the delightful walking paths encouraging you to explore the picturesque surroundings. An easy stroll to Westfield Knox will see you enjoying major shopping and dining at the Ozone entertainment precinct and you're footsteps from Wantirna South Primary and prestigious St Andrew's Christian College. It is also within easy reach of East Link, medical centres, buses, Lewis Park and The Knox School. Extras include a double garage with power, workshop benches and upgraded power board, additional off-street parking, ducted heating and evaporative cooling for seasonal comfort, almost new carpet, quality Karndean engineered flooring, garden shed and 3 x 3300L rainwater tanks. With its limitless scope for contemporary upgrades and sought-after location, properties like this don't last long on the market. Don't delay. Enquire today.
