Located close to schools and shops, this beautiful property will be where you'll want to be entertaining this summer. This extremely private, light filled open plan living home makes for easy family living.

Upon entering the home you're drawn to the open plan kitchen, living and dining space which flows seamlessly to an incredible covered outdoor entertaining area where you can sit back and watch the kids play in the gorgeous established yard. The kitchen features a gas cooktop, plenty of cupboard space and is the heart of the downstairs living area drenched in natural light.

The bedrooms featuring ceiling fans and built in robes, master with ensuite and walk in robe, along with the main bathroom are located upstairs in addition to a separate air-conditioned living area creating a wonderful space in which to relax.
