Broulee is buzzing! its the place to be if you want the best of it all. Easy distance to primary and secondary schools, one of the most popular beaches and close to creeks and river, not to mention sports ovals, shops and a fabulous brewery to spend those lazy Summer afternoons at with friends and family. This 3 bedroom brick and tile home has an ensuite, single garage, carport, sunroom and is as flat as a tack...no hills to walk up and down to get to the beach here, grab some walking shoes and throw the kids on a bike and stroll down to the beach for Sunday Sesh of swimming or surfing. Currently tenanted with long term tenants that will happily sign another lease, why not buy now and move into when you're ready to downsize? This home must surely tick a few of the boxes of what's important to you in a home, so call me now if you have any questions or wish to take a look.
