This three bedroom home is located in a sunny position, within walking distance of the local school, parks, shops and services of Geeveston. The lounge space of the home is kept warm or cool by split system inverter and has durable timber floors. The kitchen space adjoins the lounge and looks over the backyard - with good storage levels, and electric cooker. The three bedrooms have the same timber floors as the lounge - blinds are in place on bedroom and lounge windows, but do not currently feature in property photos. The bathroom includes shower over bath, with both toilet and laundry located separately. The yard of the home is fenced, and there is a small garden shed for tool storage. Please note that the owners prefer no pets at this property, but they may be considered if strong references are provided. From the property it is just over 20 minutes to Huonville, and just over 50 minutes to Hobart. The property is expected to be available from 10th May and is being offered with a 12 month lease.
