This beautifully presented Home is located on one of Point Lookouts most sought after streets situated on the corner of Karboora Drive and Yarrong Road. It sits on 637m² and has water glimpses through the trees. Each level is fully self-contained making it ideal for two families and we know it would make a very popular holiday let. Recently renovated by master builder Geoff Pettingill, Geoff is extremely well known for his top-quality builds. The Iron Bark entertaining decks are impressive with their sheer size and thickness of the timber boards and posts. High end finishes throughout, polished timber floors and European appliances. There is nothing left to be desired with this home. The upper level features four bedrooms, two bathrooms, a modern kitchen with walk in pantry and stone bench tops, hidden laundry, open plan living and dining opening onto HUGE wrap around entertaining decks with water glimpses. High ceilings with exposed timber beams and one of my favourite features is a loft bedroom we know the kids will love! The lower level features a light filled bunk room, modern kitchen with stunning timber bench tops, hidden laundry, open plan living and dining area and entertaining deck. There is both under stair storage and a generous fully enclosed storage room that could easily be turned into a 6th bedroom with very little effort. Easy to care for gardens, a private outdoor shower with hot and cold water and more outdoor storage under the deck perfect for jet-skis, boat, surfboards and fishing gear. Only a short five minute walk to the Straddie Hotel, Cylinder and Deadman's Beach.
