This single-level home is situated on a wide high-side block, located in a peaceful and convenient cul-de-sac. It offers an immediate high-quality family lifestyle with versatile options for those who plan to renovate or possibly rebuild in the future (STCA). The interior is filled with natural light and features three bedrooms, including a large master bedroom with built-in robes. There is also a cedar-lined central bathroom and an additional second WC. The home's family flexibility is highlighted by a spacious living area with a bar, formal lounge, and adjoining dining room leading through to the meals area and modern kitchen complete with stainless steel cooking appliances and a Fisher & Paykel double dishwasher. Additional features of the home include ducted heating, evaporative cooling, and ceiling fans in all bedrooms. The laundry includes linen cupboards, and there is an exceptionally wide backyard with extensive paving and a garage with drive-through option. The location is ideal, with North Circular Road buses, Carrick Reserve, and Moonee Ponds Creek Trail all within walking distance. The home is also close to Gladstone Park Shopping Centre, primary and secondary schools, and has easy access to the Tullamarine Freeway and Western Ring Road.
