Cosy Home in a Family Neighbourhood

Manicured with an immaculate eye this original beachside residence offers inspiration to redesign and renovate, whilst enjoying a piece of the Mornington Peninsula during the process.

Positioned in Rosebud's most established neighbourhood, a level landscape rests just moments from the shallow shoreline of Port Phillip Bay. Ideally situated as a family project, the home shares proximity to both Rosebud Primary School and Secondary College with the coastal Township between.

Updated with a palette of cool greys and warm tones across floating floorboards, the living space welcomes a contemporary atmosphere. Pairing the warmth of a gas fireplace with tidy street views, the kitchen remains tucked beyond a sliding door. This space joins the meals area with tiled floor, a gas stove and direct access to the alfresco.

Level with potential to extend the existing dwelling, the rear yard currently offers an over sized single lock-up garage with workshop and toilet beyond secure fencing and grassy area for pets to enjoy.

Presenting built-in robes and ceiling fans, three bedrooms welcome inspiration for a contemporary future inspired by the front-facing lounge or personal taste reflecting the coastal neighbourhood. Sharing direct access from the main bedroom, a retro bathroom unveils playful tiling, separate W/C and dedicated laundry.

A large undercover verandah area for BBQ's with family and friends will inspire your entertaining all year round overlooking the rear backyard and garden.

This property is ideal for an owner occupier, investor or a holiday home getaway on the Mornington Peninsula.
