This property is situated in a family-friendly cul-de-sac and offers ample space for a family to settle in and enjoy. It features four bedrooms, two of which have their own ensuite bathrooms, as well as a dedicated home office that can also be used as a fifth bedroom. This setup provides both comfort and functionality for both relaxation and productivity. Additionally, there's a main bathroom that complements the convenience of ensuite facilities. Upon entering the home, you'll be greeted by stylish floating floorboards and a calming palette of natural tones, creating an inviting atmosphere. The open layout encompasses three separate family living areas, providing various spaces for relaxation and entertainment. These areas offer versatility, allowing you to customize the space to your preferences. Outdoor living is taken to the next level with two distinct entertaining areas. The expansive deck is a highlight, complete with an inviting outdoor spa, creating a perfect space for relaxation and enjoyment. The property's front and side are adorned with garden beds, adding a touch of greenery to your everyday life and enhancing the serene surroundings. More than just a house, offering an unparalleled living experience that combines creativity, comfort, and adaptability. The unique layout of the property invites you to explore its various spaces, create lasting memories, and make it your own. It's not just a place to live; it's an invitation to embrace a lifestyle that encapsulates the essence of comfort and versatility.
