With plans in the metropolitan area, my vendors have given me clear instructions that they want this property sold. This opens the door to a fantastic opportunity for you to secure this spacious 4 bedroom home. Spread over 2 levels and offering 2 large living spaces, a study, downstairs powder room plus a double garage with direct home access. Externally a private pergola and rear yard round out a great package. With views to the north east across the Warrnambool racecourse, this is all located only a few minutes walk to Warrnambool College and central to all shopping the city offers. Call today for further details.....you will be glad you did!
