Jeremy Marrollo and Petar Losic of National Realty Port Adelaide are excited to present to you, 6 Laguna Avenue in the heart of Ceduna Waters. Currently zoned as Rural Living, this generous corner allotment of 3.6 Acres, also summarised as 14620m² of land is only 1.6km from the water and presents the perfect opportunity to build your dream home or possible future sub-division opportunity (STCC). So let your imagination run wild as build up on the block or a two story home will offer sea views of beautiful Bosanquet Bay whilst also providing plenty of privacy and room for any pets and horses to run wild. Other added benefits include being already fenced with cyclone on two sides of the block, sealed road and street lighting and power to boundary. Blocks this size and close to the water don't come around often, so contact Jeremy Marrollo on 0435 882 333 or Petar Losic on 0416 016 134 today to secure this opportunity.
