Offers over \$750,000

This property not only needs a renovation but has structural cracks too. You should obtain your own structural engineer's report. A 3 bedroom home, set on 791m², with 27.8m frontage. Yes the house needs renovating, but provided the structural issues are fixed, the house is very liveable. It even has a large rear covered patio, side storage for your boat and an interesting inground pool!
