If you are looking for 180 degree views from an ultra modern home with 8 car accommodation, this is the one!

This light and airy tranquil home with spectacular 180 degree views over canefields, Redlynch Valley and the surrounding mountains, could be your next dream home.

Set on a large and elevated block in the peaceful and much sought-after suburb of Freshwater, this home is sure to impress with its contemporary renovations and extensive outdoor entertaining spaces.

- You'll love catering for your family and friends in the huge, beautifully updated kitchen, with ample storage and drawers, picturesque views and a stunning Black Wattle island benchtop

- Red Tulip Oak timber floors throughout emanate character with a modern touch

- A peaceful Master bedroom captures the breezes while overlooking the canefields and well-established veggie garden, and has more than enough room in the very large walk-in robe

- Kids will have room to spread out and play in the generous-sized bedrooms

- There's room for your extended family or friends in the downstairs, self-contained granny flat which has a separate entrance, large bedroom and bathroom, lounge/dining area and kitchenette with a servery to the enormous outdoor entertaining area

- Enjoy your morning coffee on the verandah while listening to the birds sing and watching the stunning sunrise, take in the spectacular sunset views and cooling breezes in the evening

- Or relax in your private & secluded backyard with tropical pool while enjoying a cocktail and taking in the valley views

- There's plenty of secure undercover parking for multiple cars, boat, caravan, trailer and under house storage for all your tools, camping or fishing gear

With a low-maintenance tropical garden and nothing left for you to do except relax and enjoy all the amenities this friendly community has to offer, including the Kuranda Scenic Rail as it passes through the historic Freshwater Railway Station nearby. And did I mention the views
