Nestled in a quiet court location, this solidly built home close to the schools, golf course and showgrounds is well suited to family life. Offering three generous bedrooms, master with built in robes, a large living room with reverse cycle heating/cooling, adjoining kitchen/dining and a disable friendly bathroom, the home caters for retirees and families alike. Being incredibly well maintained, the home is ready to move in, or spend some time and add your own personal touches. Outside there is a large double garage, with direct access to the home, and drive through access to the spacious and low maintenance backyard. With established fruit trees and ample garden shedding, the north facing rear yard is the perfect size to enjoy the garden, yet still have time to spend on your other favourite weekend activities. To keep the household running costs down, a solar power system has also been installed. Speak with our sales team today to arrange your private viewing
