This executive 4 bedroom, 3 bathroom home is tucked away in a quiet cul-de-sac in the Golf Course Estate of Desert Springs. Enter into the house and you will be impressed with the appointment on offer, with lovely tiled flooring throughout the living areas and plush carpet in the bedrooms, you will always be comfortable underfoot. The combined living and dining area is sizeable and offers direct access to the outdoor entertainment area, there is another dining area next to the well appointed kitchen. The kitchen features gas cooktop with rangehood, dishwasher, double white resin sink, a great sized pantry and a beautiful breakfast bar. The 3 minor bedrooms have built in robes and are serviced by a full bathroom with separate bath & WC, the master has it's own ensuite. With neutral tones throughout and the beautiful accent louvered windows this home is very pleasing on the eye. Outside your desires are all met with a sparkling in ground salt water pool that has a water blade and fountains, the pool is also heated for year round enjoyment. Entertainment is a breeze with a huge undercover area, a games room with a bathroom and a storeroom built in, this could easily be converted into a Granny Flat. Undercover parking for 2 vehicles via roller door access is a bonus and windows and doors are fitted with security screens for extra safety. With PV Solar your energy bills will be well reduced and there is also a water softener to make cleaning easier and drinking water finer.
