Tucked away on a serene lane, this character-filled cottage offers a unique opportunity for those who appreciate the potential of a well-placed home. As you meander down the side path, you're greeted by a single garage, a nod to practicality in this quaint setting. Inside, the house reveals two spacious bedrooms, each brimming with natural light and awaiting a personal touch. The charm of the cottage is accentuated by its heritage features. Period doors and ceilings hint at a rich history, ready to be polished and revitalized. These elements, ripe for rejuvenation, provide a canvas for creativity and personal expression. Location is a key highlight of this home. Situated within walking distance to local shops and amenities, it blends the tranquility of a quiet lane with the convenience of urban living. This cottage, nestled in its cozy corner, is not just a residence but a project brimming with potential, an invitation to craft your dream home in a setting that blends the best of both worlds. - Side access to single garage + workshop - Zoned R3 for medium density residential - Perfectly located to amenities - Ideal canvas, ready for inspiration Land Size: approx 356m² Rent: \$420 - \$450
