Exuding tranquillity in a leafy mews inspired setting, this beautifully revitalised family residence delivers idyllic peace and privacy in a thriving cosmopolitan locale, complete with off street secure parking for two cars and stunning updated interiors. Introduced via a secure, landscaped entrance, the home's functional floor plan reveals two separate living zones, including the rear open plan living/dining domain with seamless access to the recently refurbished travertine courtyard with irrigated garden edges. Double height ceilings emphasise the light and scale within the dining room, enriched by a renovated granite kitchen with brand new European appliances and glass doors to the paved courtyard. Upstairs, two spacious bedrooms share a large, central bathroom with spa bath, whilst a private main suite boasts extensive robes, a Juliette balcony. Zoned for South Yarra primary school and within close proximity to Christchurch and Melbourne Grammar Schools, it is also just a short walk to restaurants and trams, and just moments from trains, Fawkner Park and the Botanic Gardens. Highlights include French oak flooring, ducted heating/cooling, laundry, powder room, storage, external shutters, and intercom.
