Situated in a coveted beachside enclave, this Turners Beach retreat has undergone a stylish transformation. With an emphasis on entertaining and relaxing, the residence exudes a resort style atmosphere and showcases luxury inclusions throughout. The holiday vibes begin as soon as you step inside this home. A breezy open plan lounge and dining room integrate with the galley kitchen equipped with stainless steel appliances, twin pantries, an oversized island and chic pendant lighting. Evoking a sense of seamless indoor outdoor living is a set of glass stacker doors that open from the lounge and onto an expansive timber sundeck. This space is an entertainer's dream and is an idyllic setting for family barbeques and gatherings. The master bedroom is a hotel like sanctuary, separated from the remaining bedrooms ensuring your privacy and comfort. The master includes a walk in robe and an indulgent ensuite featuring a standalone bath, an eye catching timber vanity with his and hers sinks and a walk in shower. The family bathroom is equally impressive and services a further 2 bedrooms which are fitted with built in robes. A 4th bedroom appreciates direct access to the deck and would also make an ideal home office. Side access leads to a 6m x 8m approx double garage which opens to 2.5m approx in height allowing you space to park the boat or caravan. Homes rarely come to market in this tightly held street, and it's not hard to see why. From your doorstep it's a short 300m (approx) stroll to the shores of Turners Beach and only 150m (approx) to the boat ramp. Parklands and the local footy and bowls clubs are just around the corner. Further conveniences are available in the nearby township of Ulverstone where you'll find all the major services and amenities you need including supermarkets, shops, cafes, restaurants, schools and medical facilities.
