You won't get in the housing market much cheaper than this. Sitting on over 1000sqm block this 3 bedroom home represents a very affordable way to get out of the rental market. 3 large bedrooms, large kitchen/meals area and separate living room with a split system for heating and cooling. Outside there is a carport for extra storage, all set on a 1036sqm block. Houses in this price bracket don't last long so be quick to book an inspection. This house is not currently suitable for rent.
