This generous 3 bedroom home is set on a 998m2 low maintenance corner allotment boasting dual access and secure under cover parking. The home has undergone a few additions over time and presents upon entry; a large ground level family room that extends through to the elevated open plan and spacious living and dining room that is filled with loads of natural sunlight and warmth. The original timber kitchen appears well preserved and the nicely tiled bathroom offers a relaxing spa bath. There is plenty of options to park your vehicles in the side garage or under the semi enclosed carport with handy access directly into the home and if you enjoy pottering in the garden there is ample room under the enclosed shady pergola and shade house. Other features include a huge 13KW solar system, roller shutters on all front windows, ceiling fans and wall unit air-conditioners.
