This property is unique and solid and sits on 1,214m² block, well drained, flood free fully fenced and close to prep and primary schools. It is also close and handy to a corner store which does some very nice hot food. Close by is a council recreational park and your local watering hole. If you want to do your major shopping Gin Gin is approximately 15 minutes' drive or Bundaberg 35-40 minutes' drive while Childers is roughly the same timeline. All good roads and the high school bus takes children to Gin Gin high school daily. This unique design of home is different from the so called normal and you will love the exposed beam work. There is a lockup steel framed shed and spare concrete slab to park your boat, trailer, caravan on. The property is lightly treed, so mowing isn't an issue. Yes there is a very slight amount of TLC to be done but nothing that will hold you back from moving in and then give it a lick of paint. For more information Call Dave Read on mobile 0405 252 135 to arrange an inspection. NOTE: Inspections require 24 hours notice as the property is tenanted.
