Indulge in the opulence of this luxurious contemporary family home, meticulously crafted to the highest standard. Upon entry, you are greeted by an impressive open family area that seamlessly blends style and comfort. The abundance of natural light floods the space, highlighting the vaulted ceilings and creating a warm atmosphere with commanding views over the Queens Park area. The kitchen exudes elegance, featuring dual ovens and sleek stone bench tops that flow onto the breakfast bar. The butler's pantry provides additional storage and includes a convenient servery window. Whether you're entertaining guests or enjoying a family meal, this space is designed to facilitate seamless indoor-outdoor living. The north-facing family room is designed to maximize natural light and offers a picturesque view of the outdoor area. The alfresco is a true highlight of this home, featuring an outdoor kitchen with stone bench tops, built-in BBQ, range hood, and drink fridges. Take advantage of the electric privacy blinds making it the perfect place to entertain all year. The master suite is a true retreat, featuring an impressive walk-in robe that continues through to the sizeable ensuite, featuring floor-to-ceiling tiles and dual shower heads. The three additional bedrooms offer ample space with walk-in or built-in robes, ensuring a harmonious and well-zoned living arrangement for the entire family. The rear yard has been thoughtfully designed to be low maintenance with a convenient side drive providing ample space for additional cars. The three-car garage includes a dedicated gym or multipurpose room and additional storage, providing versatility and functionality. State-of-the-art functionality is seamlessly integrated throughout the remarkable residence, including security system, integrated sound system, 9.9kw solar, salt water chlorinated pool with heat bank heating, feature gas fire in the living area, and heating/cooling systems throughout, your comfort and convenience are paramount in this exceptional home. - Feature high vaulted ceilings with clerestory windows- 9.9 k/w Solar panels- Home security and integrated sound system- Salt water chlorinated pool with heat bank heating system- Expansive views over Queens Park and the You Yangs- Additional side driveway access for boat/caravan storage - Easy access to walking track and Buckley Falls - Architectural design focused on natural northerly light - Built-in outdoor kitchen and entertaining space
